

Abner Innovation Laboratories Limited
("Abner Labs" or the "Company")

Abner Tech Appoints Continent 8 Technologies as Strategic Partner for Network Operations

Abner Labs announces that its wholly owned subsidiary, Abner Technology Group Limited ("Abner Tech") has entered into a Master Services Agreement ("MSA") with Continent 8 Technologies Plc ("Continent 8") to provide internet access infrastructure, secure data centre facilities, network solutions, managed services and connectivity to ensure the capable and continuous network operation of the **BE THE GAME™** live sports viewing and in-play betting platform.

"Continent 8 has a proven track record of maintaining mission-critical network operations and infrastructure on behalf of leading players in the global gambling industry" said Dr David Bate, Chairman. "We are in good hands."

"We have selected the Mohawk Territory of Kahnawake (Kahnawá'kye) in Québec as the location for our secure data centre facilities because of our desire to support Canadian-based enterprises, its strategic location for North American operations and its long history of managing data for the gambling industry, including many of our likely clients" said Dr Bate.

"We are pleased to support Abner Labs and Abner Tech as they move towards commercialization of their platform" said Mr Ryan Tobin, Director of Continent 8 (Canada). "We have been providing high availability, real-time network infrastructure and services to regulated industries such as the gambling industry for almost 25 years, and we look forward to providing the same market-leading services and support to Abner Tech for as many years to come" said Mr Tobin.

FORWARD LOOKING STATEMENTS

This news release contains certain "forward looking information" and "forward looking statements" (collectively referred to as "forward looking statements"). These forward looking statements relate to future events or the Company's future performance. All statements other than statements of historical fact are forward looking statements. Often, but not always, forward looking statements can be identified by the use of words such as "plans", "expects", "is expected", "budget", "scheduled", "estimates", "continues", "forecasts", "projects", "predicts", "intends", "anticipates" or "believes" or variations of or the negatives of such words and phrases or state that certain actions, events or results "may", "could", "would", "should", "might" or "will" be taken, occur or be achieved. Particularly, information regarding the Company's expectations of future results, targets, performance achievements, prospects or opportunities is forward looking information.

Forward looking statements in this news release include but may not be limited to statements about: the Company's ability to operate the network, on a continuous basis or otherwise, through which the live sports viewing and betting technology operates; and Continent 8's ability to provide high availability, real-time network infrastructure and related services as described herein.

Though management believes that its assumptions are reasonable in the circumstances, forward looking statements involve known and unknown risks, uncertainties and other factors that may cause the Company's actual results, performance or achievements to differ materially from all or any of the future results, performance or achievements expressed or implied by forward looking statements.

Risk factors that could cause the Company's actual results, performance or achievements to differ from the forward looking statements in this news release include but may not be limited to: adverse or unexpected changes to regulatory regimes related to the betting industry; the Company's ability to execute its business strategy; the Company's ability to execute its technology strategy; the Company's ability to execute its monetization strategy; any material changes to the business or operations of Continent 8; technology risks associated with the operation of communications infrastructure and delivery of communications services; and general technology, economic, political and social risks.

Accordingly, readers should not place undue reliance on forward looking statements. The Company undertakes no obligation to update these forward looking statements other than as required by applicable law.
